### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Richard Kim on 08/27/07.

1. The application has been amended as follows:

In claim 1, line 17, "that control" has been changed to "that the control", line 18, "preempt DMA" has been changed to "preempt the DMA".

In claim 6, line 3, "between different" has been changed to "between the different".

2. The following is an examiner's statement of reasons for allowance: present

application discloses a transceiver for use within a multi-tier system configuration comprising means for receiving and transmitting instruction, means for buffering instructions. Prior art teaches all the limitations claimed. However, prior art does not explicitly teach the combined limitations along with the further limitation of buffering instructions of control actions from DMA for forwarding to a local processor bus and buffering instructions transmitted from the local processor bus for separating transmit buffering of control actions from DMA operations for transmission to the system bus.

Art Unit: 2611

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
